1.      La                  Do#m7                  Sim7  
Still stuck in the rush hour traffic

Somewhere on the edge of town  
La                  Do#m7                  Sim7  
The lights give off Christmas magic  
La                  Midim7                  Fa#7  
Yet I know I'll soon be home.

**Refrain :**      *Sim7                          Mi7*  
***And so it's nearly here***  
*LaMaj7                          Fa#7*  
***(it's) not too long to go***  
*Sim7                          Mi7*  
***That special time of year***  
*LaMaj7                  LaMaj7*  
***Which sets our heart aglow***

Just listening to the radio

Thoughts drift to the edge of time  
La                  Do#m7                  Sim7  
Mem'ries of Christmas long ago

Glad to know this year you're mine.

Could be the best time of our year
