

## Seven Nation Army – The White Stripes

Intro: Riff (x4)

- 1a. I'm gonna fight 'em all  
A seven nation army couldn't hold me back  
They're gonna rip it off  
Taking their time right behind my back
- 1b. And I'm talking to myself at night  
Because I can't forget  
Back and forth through my mind  
Behind a cigarette
- 1c. And a message coming from my eyes says leave it alone

Chorus: Riff variation (x4) G A

Break: Riff (x4) (Comme intro)

- 2a. Don't wanna hear about it  
Every single one's got a story to tell  
Everyone knows about it  
From the Queen of England to the hounds of Hell
- 2b. And if I catch you coming back my way  
I'm gonna serve it to you  
And that ain't what you want to hear  
But that's what I'll do
- 2c. And a feeling coming from my bones says find a home

Chorus: Riff variation (x8) G A

Break: Riff (x4) (Comme intro)

- 3a. I'm going to Wichita  
Far from this opera forevermore  
I'm gonna work the straw  
Make the sweat drip out of every pore
- 3b. And I'm bleeding and I'm bleeding  
And I'm bleeding right before the Lord  
All the words are gonna bleed from me  
And I will think no more
- 3c. And the stains coming from my blood tell me go back home

Break: Riff variation (x4) E5
