

Come, Follow Me to the Greenwood Tree

This delightful little canon was written by John Hilton in the 17th Century. Try it in three parts, or as a round with all three parts sung successively.

1
Come, fol - low, fol - low, fol - low,

2
Whi - ther shall I fol - low fol - low, fol - low

3
To the green - wood, to the green - wood,

fol - low, fol - low, fol - low me.

Whi - ther shall I fol - low, fol - low thee?

to the green - wood, green - wood tree.
