1.                   G           Em7       C+9           D  
Come to me all you who are thirsty  
                  G           Em7       C+9           D  
And I will give you water divine  
G           Em7       C+9           D  
Come to me all you who are hungry  
Em7                   C+9           B7  
Come to my table and dine

**Chorus:**           C+9                                   G  
***For you are my child and I love you***  
                                  C+9                                   G  
***You're adopted into my house***  
                  C+9           G/B  
***And I will lead you,***  
          C+9                                   G/B  
***Clothe you and feed you***  
          C+9                                   D  
***Until the end of all time***

2.                   Come to me all you without money  
                  Come and buy your bread without cost  
                  I will give you sweet milk and honey;  
                  Oh why won't you turn and trust?

**Chorus:**           ***For you are my child and I love you . . .***

Bridge:           Am7 G/B       C+9  
Give ear and come to me  
Am7       G/B C+9                                   D  
Hear me\_\_\_\_, that your soul may live

3.                   Come to me all you who are weary  
                  Come and lay your head on my chest  
                  You will find my burden is easy  
                  Oh come to me and find rest

**Chorus:**           ***For you are my child and I love you . . .***
