

Firework – Katy Perry

1. A Bm7
Do you ever feel like a plastic bag
F#m D
Drifiting through the wind, wanting to start again?
A Bm7
Do you ever feel, feel so paper-thin
F#m D
Like a house of cards, one blow from caving in?
A Bm7
Do you ever feel, already buried deep;
F#m D
Six feet under, screams but no-one seems to hear a thing?
A Bm7
Do you know that there's still a chance for you
F#m D
'Cos there's a spark in you?

Pre-chorus: A Bm7 F#m D
You've just got to ignite the light, and let it shine
 A Bm7 F#m D
Just own the night, like the 4th of July

Chorus: A Bm7
('Cos) Baby you're a firework
 F#m D
Come on, show them what you're worth
 A Bm7
Make them go "Oh!"
 F#m D
As you shoot across the sky.
 A Bm7
Baby you're a firework
 F#m D
Come on let your colours burst
 A Bm7
Make them go "Oh!"
 F#m D
You're gonna' leave before they know

2. F#m D
You don't have to feel like a waste of space
You're original, cannot be replaced
If you only knew what the future holds
After a hurricane comes a rainbow
May be the reason why all the doors are closed
So you could open one that leads you to the perfect road
Like a lightning bolt your heart will glow
And when it's time you know . . .

Bridge: F#m D
Boom, boom, boom, even brighter than the moon, moon, moon
 A E
It's always been inside of you, and now it's time to let it through
