

Horse With No Name – America

Intro: Em D6+9/F# Em D6+9/F#

- On the first part of the journey
 I was looking at all the life,
 There were plants and birds and rocks and things,
 There were sand and hills and rings.
 The first thing I met was a fly with a buzz
 And the sky with no clouds,
 The heat was hot and the ground was dry,
 But the air was full of sound.

Chorus: *I've been through the desert on a horse with no name,*
It felt good to be out of the rain,
In the desert you can remember your name
'Cause there ain't no-one for to give you no pain.
Laaah laaa la laa la laaa laaa laa la laaa laaa la (x2)

- After two days in the desert sun
 My skin began to turn red,
 After three days in the desert fun
 I was looking at a river bed.
 And the story it told of a river that flowed
 Made me sad to think it was dead.

Chorus: *You see I've been through the desert on a horse with no name . . .*

- After nine days I let the horse run free
 'Cause the desert had turned to sea,
 There were plants and birds and rocks and things,
 There were sand and hills and rings.
 The ocean is a desert with it's life underground
 And the perfect disguise above.
 Under the cities lies a heart made of ground
 But the humans will give no love.

Chorus: *You see I've been through the desert on a horse with no name . . .*

Fin: *Laaah laaa la laa la laaa laaa laa la laaa laaa la (x4 . . . etc.)*
