Lullabye (Goodnight My Angel) – Billy Joel

1. Goodnight my angel, time to close your eyes
   And save these questions for another day
   I think I know what you've been asking me
   I think you know what I've been trying to say
   I promised I would never leave you
   Then you should always know
   Wherever you may go, no matter where you are
   I never will be far away

2. Goodnight my angel, now it's time to sleep
   And still so many things I want to say
   Remember all the songs you sang for me
   When we went sailing on an emerald bay
   And like a boat out on the ocean
   I'm rocking you to sleep
   The water's dark and deep, inside this ancient heart
   You'll always be a part of me

Break: Da da . . . .
Lou lou . . .

3. Goodnight my angel, now it's time to dream
   And dream how wonderful your life will be
   Someday your child may cry, and if you sing this lullaby
   Then in your heart there will always be a part of me
   Someday we'll all be gone
   But lullabies go on and on
   They never die
   That's how you and I will be
